Sermon: "A Life of Praise"

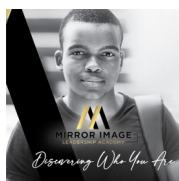

Scripture: Romans 12:1-18

By: Rev. Marisa Copeland

We believe God calls us to a life of genuine love. A kind of love that flows from the very depths of who we are, grounded in Christ's love for us. Genuine love is cultivated and nourished through spiritual disciplines, like worship. But, what is worship? Is it more than simply showing up on a Sunday morning? How might our lives be transformed by our experiences of gathering together as a community of faith? We hope you will join us this Sunday as we rediscover what it truly means to cultivate love by worshiping with our whole life.

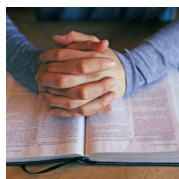

Missions Focus

TRINITYGNV.ORG/GIVE

This morning's Mission Focus is on **Mirror Image Leadership Academy**, is a 3-year leadership development experience for incoming 7th graders, primarily targeting, but not limited to, African American males in Alachua County, FL. Their true mission is to help young men discover for themselves the leader that lies within.

Livestream Worship: A Ministry Making an Impact: Did you know that almost every week more than 500 people join us for one of our worship services online? In the last few years, worship participation online has grown exponentially, enabling churches to reach new people both near and far. This ministry has also become a great blessing to persons whose health or other life circumstances makes in person attendance impossible.

We are looking for a few people to join Trinity's team of livestream operators. With just a little training, and a willingness to share 2-4 hours of your time on a monthly basis, you can join a rotation of servant volunteers who support this vital ministry. **Contact Bobbi Korner (bkorner@trinitygnv.org) to say YES to this opportunity or to find out more.**
