Sunday Message Series - Deeply Rooted (through 03-25-18): Jesus began one of his most familiar parables with "A farmer went out to scatter seed." He frequently used images and illustrations from everyday life to teach his followers about what it means to grow as disciples, as well as some of the struggles and difficulties we encounter along the way. This year during the season of Lent, the 40 days leading up to Easter, we'll listen to some of these gospel episodes again; we'll be challenged and encouraged to develop the practices that help us experience God's marvelous love and grow deep roots as disciples of Christ.

Kairos is a Christian faith-based ministry which addresses the spiritual needs of incarcerated men, women, youth, and their families. By sharing the love and forgiveness of Jesus Christ, Kairos hopes to change hearts, transform lives and impact the world.
