The **Trinity UMC Foundation** was established for the purpose of assuring God's vision through Trinity today, tomorrow, and forever. Anyone can participate in this work through current gifts of cash or other investments to one of several endowment funds and also through including the church in their estate planning. Here's a great video (trinitygnv.org/foundation) that shares one couple's story and also gives you an example of how endowment gifts are already making an impact in the life and ministry of the church. To learn more about any of these opportunities, please contact the chairperson of the Foundation Board, Bill Burger (billb1956@gmail.com).
