**This morning's Mission Box is for ZOE Helps.** Their 3-year empowerment program helps children help themselves. Vulnerable children overcome extreme poverty in such a way that they improve not only their own lives, but the lives of others as well. Orphans emerge from ZOE able to secure their own food, send their siblings to school, run businesses, and be leaders in their community. They understand God's love for them and pass their blessings on to other children in need.
