Message Series Overview: Known for its daily news app popular with young adults, theSkimm® is an American media company that focuses on a short, simple, easy-to-read way to learn about the news and current events. Many people could use a short, simple, easy-to-understand way to learn about the Bible as well. In the coming weeks, we will "skim" the Bible from Genesis to Revelation, looking at how to read it, understand it, and learn about its people and themes. Most importantly, as you gain new insights, you'll be inspired by the Scriptures and their meaning for your life today. If you're simply curious about the Bible or if you're a long-time believer, this series will strengthen your faith and help the Word come alive to you in ways you won't soon forget!
