

DAYS FOR GIRLS SEWATHON

Some girls in developing countries are unable to attend school because they lack sanitary supplies. Many miss several days of school each month which leads to falling behind, dropping out, early marriage, high infant and maternal mortality rates, increased risk of human trafficking, and contracting HIV/AIDS. The Alachua County Chapter of Days for Girls is local women in need as well as girls and women around the world! Please join us for our next sewathon—and/or donate needed supplies to help girls stay in school!
