MISSIONS – Andrew Pridgen, 416-3043 or (Missions@TrinityGnv.org)

This morning's mission box supports the families affected by the January 29 I-75 accidents. The United Way is working directly with families and Shands to provide much needed support of food, local housing, transportation and burial costs. Thank you for supporting this cause. Please make your check payable to Trinity UMC and write "mission box" on the memo line.

Hidden America: Faces of Homelessness: February 13 at 6:30 pm (rm. 232). Florida is home to 1/3 of all homeless families who have no shelter at all; people living in their cars, under bridges and in parks. The latest statistics show 2/3 of Alachua county's homeless population to be without shelter. Our panel will talk about what organizations are doing locally and how we can make a difference. Everyone is invited to hear leaders from IHN, Helping Hands Clinic and SBAC talk about children and families battling not to be the next story.

Turkey Creek Hammock workday to clean up another area of "legacy" trash will be on Saturday, February 25, from 9:00 am to Noon. TUMC has cleaned up several large dumpsters of trash from this site and it's exciting to see its beauty shine through! This preserve is moving toward being open for public use and our efforts have certainly contributed to that. For more information, contact 538-7750 or (carolkayaks@yahoo.com).
